Dear Parent and Guardians;

In 2017 we are celebrating the centenary of the Junior Section, a significant anniversary in the life of our organisation and one that we hope members will want to celebrate locally and nationally.

Our celebrations will take place across the calendar year, covering both the 2016-2017 and 2017-2018 sessions allowing ample opportunities for local and national events to take place.

1<sup>st</sup> Haslington Boys' Brigade will be taking this opportunity to celebrate, fundraise and further progress within the Award Scheme, in which you will have already seen the boys' have progressed immensely over the past 4 months.

The first of our fundraising efforts will be undertaken by one of our parents – Stuart Morgan – on **14<sup>th</sup> May**, who will be tackling the gruelling 100 mile Brewin Dolphin tour of the Peaks; taking in one of the top 10 climbs in the UK with 9455ft elevation gain!!!

Following on from this and continuing the theme we will be in attendance at Haslington Village fête on **May 20<sup>th</sup>** where there will be two turbo trainers, one set up with a child's bike and one set up with an adult's bike. Throughout the event we aim to travel the distance between Haslington and BB-HQ; in Hemel Hempstead. For this event we will be taking donations on the day and are asking you, the parents, to show your support by spending a short period of time on the bikes- please let us know if you can help at all.

During our normal Monday evening sessions and our final event of this year's Award Scheme we, the staff and boys, will be completing the 'Body' element of our Award. In completing this we will be running a collaborative 100km. This will take place as a sponsored event on the King George VI Playing Fields on **June 5<sup>th</sup>, 12<sup>th</sup>, 19<sup>th</sup>, 26<sup>th</sup> and July 3<sup>rd</sup>**.

We hope that you will support our efforts to engage the boys in the national celebrations and encourage your son to get involved. This will be a huge fundraising period for us which all donations received before the end of May will be match funded by Barclays. ☺

To sponsor your child for any of the events or Stuart for his challenge in aid of 1<sup>st</sup> Haslington Boys Brigade please visit: <https://www.justgiving.com/crowdfunding/haslingtonbb1>

Kind Regards

Captain, Mr Dixon, Mrs Morgan & Miss Spurrier
